Dear Sir/Mdm,

Thank you for your interest for having your special events at our premises.

**Fish @ Bugis+** is located on the 7<sup>th</sup> floor roof-garden of Bugis+ (ex iluma) , is Singapore's only **indoor air-conditioned** Lobster/Prawn fishing pond with bar that cater to those who dislike the heat from the sun and pollution from the haze. We are also within walking distance from the Bugis MRT station.

**Fish @ Aranda** is located inside Aranda Country Club and is open to public (not only Aranda Country Club members). We have four ponds that can cater for large events. We are also within walking distance from the Pasir Ris MRT station.

Both our places are best for team building, departmental bonding, organization and family gathering. This is the kind of event that everyone in your company will attend and enjoy without having the feeling of being forced to participate.

Churches, Private companies and even Government departments like RC, SCDF, Police force and even private companies love our prawning pond so much for their official events that they are coming back to organize more events.
