Hi there!

First and foremost, thank you for your interest in holding your children longkang party with us. We have two outlets **Fish@Bugis+** and **Fish@Aranda** for you to choose from.

Fish @ Bugis+ is located on the 7th floor roof-garden of Bugis+ (ex iluma) and is at the central of Singapore. It is also within walking distance from the Bugis MRT station.

Fish @ Aranda is located inside Aranda Country Club and is open to public (not only Aranda Country Club members). The Children LongKang pond is much bigger and is walking distance from the Pasir Ris MRT station.

Here kids will get to reminisce their parents' good old days of catching fishes with small nets from our specially re-created "Longkang" pond. Fishes in the Longkang pond include guppy, baby koi, goldfish, swordtail, tiger barb, red fish, molly as well as shrimps!
