Dear Principal and Teachers,

If you are looking for fun, engaging and educational field trips in the great outdoors for your students, then look no further than Fish@Aranda and Fish@Bugis+.

Children Longkang Fishing

Bring your class on an outing to LongKang (drain) Fishing and get ready to delight in the interesting and colourful world of aquarium fishes at our popular Children Longkang pond!

We have hosted many interactive school outings for pre-schoolers, Kindergarten and Primary school children. Here they can have hands-on experience of catching and learning about the different types of aquarium fishes through our specially designed worksheets. A school outing event with us can be as educational as you need it to be for any scholastic level up to 12 years old.

For school outings, we are charging a discounted fee of \$11 per student for up to 150 minutes at our **LongKang Fishing pond** and **Fish Spa**. Kids can also have fun feeding our colourful Koi fishes. Please note that fish feeding is only available at our Aranda outlet. Minimum 20 children (weekdays only).

Price is inclusive of an Aquarium tank, Fish net, a simple fun worksheet and complimentary \$5 voucher which can be utilized on their next visit. Fish food will also be given away for the kids to feed their fishes at home.

Each child can catch as many fishes as they want but are only allowed to bring home up to 10 fishes packed in an oxygen bag.

Apart from the usual guppy, our pond also consists of plenty of other small fishes such as baby koi, goldfish, swordtail, tiger barb, red fish, molly and shrimps even!

Teachers/Helpers/Volunteers can use the fish spa free of charge. Parents or family members of teachers who tag along will have to pay extra \$15 each.

As children and adults can both enjoy here, that is why schools love having their group outings with us!

SCHOOL OUTINGS (Preschool / Kindergarten / Primary level):
